

# D&I Research: Introductory Workshop for Investigators

October 22<sup>nd</sup> & 23<sup>rd</sup>, 2020

Zoom meeting

9 am-12:30 pm

<b>OCT 22<sup>nd</sup> – DAY 1</b>		
9:00-9:30	Session 1: Introduction of workshop	Elvin Geng
9:30-10:30	Session 2: The Ailment - Why a science of D&I is needed	Elvin Geng
<b>Break</b>		
10:40-11:10	Session 3: The Diagnosis pt 1: How to analyze a gap in implementation	Elvin Geng
11:10-11:40	Session 4: The Diagnosis pt 2: How to analyze a gap in implementation using perspectives from social sciences	Elvin Geng
<b>Break</b>		
11:50-12:30	Discussion: Students describe their work in D&I	Stephanie Mazzucca ?(TBD)

<b>OCT 23<sup>rd</sup> – DAY 2</b>		
9:00-9:40	Session 5: The Treatment – Designing and implementing implementation strategies	Christopher Carpenter
9:40-10:30	Session 6: Study in designs and approaches in implementation research	Aaloke Mody
<b>Break</b>		
10:40-11:10	Session 7: Mechanisms and external validity in implementation research	Elvin Geng
11:10-11:40	Session 8: Context, adaptation and fidelity	Ana Baumann
<b>Break</b>		
11:50-12:30	Discussion: Students discuss work in D&I	Stephanie Mazzucca ?(TBD)
